

## Blog Publishing Solutions

Professional blog content to build your credibility as an authority source.

Biz Publishing Package - \$480 per month

Our

flexible options also mean you can combine our Biz Publishing Package with any other YouCanSubmit Small Biz or Media Promotion packages for even more powerful online marketing results. Are you ready to maximize your web presence? You can! Let's start right away and discuss the best online media solution to meet your business goals.

- Daily blog posts written by a professional writer. Each post is original and written especially for your business by an experienced writer.
- Build business credibility and authority with professionally written content. All our writers are native English speakers. They are skilled in writing web optimized content for favorable search engine placement and increased website visibility.
- Save time by leaving your business blogging to web savvy writers. Posting consistently and frequently is key to conveying your message effectively.
- Build a bank of useful articles to offer a value added service to your target client group. Well planned online marketing can establish you as an authority source in your field.
- Build brand recognition, trust and an ongoing business relationship to facilitate a broader marketing reach and higher client conversion rates.
- Save money on advertising with a co-ordinated consistent approach. Daily blog entries on your business topic are an affordable, but powerful marketing tool to get your business message across naturally and effectively.

Order your Biz Publishing Package today and get a free voice over for your blog, website, online presentation. Click on the play button to listen to one of our talented voice over actors.

Increase the effectiveness of your web publishing and online media campaign, with our Biz Publishing Package. Each daily blog post is tailored specifically to your business. Do you want to add impact to your message with a professional writer on your internet marketing team? You can
