

Integrated Online Media Promotion

Increase web visibility and business returns.

Media Promotion Package - \$695 per month

Our

flexible options also mean you can combine our Biz Publishing Package with any other YouCanSubmit Small Biz or Media Promotion packages for even more powerful online marketing results. Are you ready to maximize your web presence? You can! Let's start right away and discuss the best online media solution to meet your business goals.

- Maximize the power and effectiveness of your message and reinforce your brand with professionally written press releases, reviews and articles. All our writers are native English speakers, experienced in search optimized content.

- Increase client conversion rate and ROI through a carefully co-ordinated media promotion strategy. Our online public relations and SEO professionals personally manage your internet marketing campaign. We work with you to meet your business goals.

- Save money with a targeted online media strategy. A well structured media promotion campaign makes your web marketing budget go further, by avoiding hit and miss media placements.

- Broaden your market reach and impact through our professional press release and article distribution strategies and channels. Media promotion is often the first contact prospective clients have with your business. Reach your target audience and make your message count.

- Increase site traffic and spread your message by tapping into the power of business blogging and sponsored reviews. Targeted reviews and links from niche related blogs are highly effective new media promotion strategies, with internet marketing and SEO benefits.

Do you need additional individual media promotion services or a tailor made integrated internet marketing approach? Order your Media Promotion Package now, or talk to us about the web marketing solution that meets your business needs.
